

Geneva Glen Camp

Alumni Glen Breeze—Spring 2012

Come Back to your “Laughing Place!”

Now that there are a few candy tuft and lavender pasque peeking through the snow-melt, it has piqued our excitement for the 90th celebration over Labor Day weekend! We’re thinking of great friends returning to one of their favorite spots, like in the Br’er Rabbit story when he goes back to his “Laughing Place.” That’s the place where Br’er Rabbit feels safe, joyful, and totally his own “bunny-rabbit” self. All of those precious memories and cherished moments shared with your camp friends are here and are as vital and stirring as ever! Don’t wait! Come back to your own Laughing Place, and invite your camp pals to meet you at the Glen for this historic occasion. Enjoy the Breeze! *Kens & Nancy*

Celebrate with us

CELEBRATE ([*sel-uh-breyt*]): to extol; commemorate; sound the praises of in festivities; to honor with ceremonies.

Doesn’t that sound appropriate for 90 years of glorious camp fellowship?

We will ring bells, sing songs, perform ancient pagan rituals (!), beat tom tom’s, pay homage, prance and yell and be grateful!

Look at the invitation enclosed—put it on your refrigerator, somewhere near your face so it will entice you to yield to the temptation! We hope you will join us in those festivities, breathe in the mountain air, pungent with pine wood smoke, and laugh till you cry! The daily schedule is more lax than when you were a camper, for the offerings are more your choice as you may sign up for what seems to be fun or just sit on the deck, or Bear’s Corner, and chat with old pals. The typical schedule, for example would be:

Saturday – wakeup bell invites folks to breakfast in the lodge. Songs sung would be all the grace songs you know and love, and naturally Oh What a Beautiful Morning ... I Love the Mountains ... and You’ve been Primping, Now You’re Late! At about 9:30 the Whippersnappers will present various offerings such as

- ♥ Horse rides on the Higgins Loop (*Ron, are you going to join us?!*)
- ♥ Archery at the Place of the Blue Spruce, Nature craft projects
- ♥ Hike to the Shrine... or a gentler trek with guitar to Merlin’s Rock
- ♥ Lunch at 12:15 – probably not peanut butter and jelly with vegetable soup (are you hankering for Yellow Meal? We actually won’t do that for this weekend ... unless there’s an uprising!!)
- ♥ Songs sung at lunch to help with digestion might include Little Bunny Foo Foo, My Mommy Gave Me a Penny, Father Abraham, and Choo Choo Cha!

Afternoon programming may include:

- ♥ Rest Hour!
- ♥ BBs
- ♥ Siesta Music Mosaic
- ♥ A splash party at our fantastic newly renovated pool – try the new slide! (Also back by popular demand, the big 10 person hot tub will be parked at the pool as well!)
- ♥ Photography Hike
- ♥ Clay at Crafts
- ♥ A Nature Scavenger Hunt
- ♥ Ropes Course (“Oh Mama” giant swing, Zip Line, Climb Wall, Giant’s Ladder)
- ♥ ** Some activities will be “on demand,” such as Rifles, Sling Shots, Archery, Fort Building.
- ♥ Dinner at 6:00 – a sumptuous feast served and serenaded by the “Whippersnappers” and “Whippersnappettes!”

Evening programming:

- ♥ Singing!
- ♥ We have several evening programs in our magic backpack. Square Dancing, or our Banjo Man, Wayne Foust plucking out fun tunes. The spectacular evening program of the weekend will be the **Sunday night Council Fire**, the day of the barbecue picnic reunion, to commence with a cast of hundreds bringing back songs from your memory treasure chest. Heart-felt ones like Swing Low, Bed is Too Small, Michael Row Your Boat Ashore, and of course Geneva, We Love you! Program will also include famous skits from the decades, a Knighthood story, a Pow Wow game and Fairy Fire Tricks (for the little ones under 50!) But for Pete’s sake, we can’t give away *all* of our magic – there will be some surprises to entertain young and old!
- ♥ Hope you can come – read the invitation – call with questions and that kind of stuff. Oh, and keep checking Facebook!

Holy Cow!

We have so many cool things for Family Camp and the 90th birthday celebration happening in the kingdom of the Glen, and we would love your involvement!

Marathon Museum – needs your memorabilia. MARCIA IRVING PETERANETZ is our Duchess of Decades, and she will be our hostess as we show off photos and wonderful GG bric-a-brac

through the years. At the reunion weekend we will decorate the ol' place with sepia shots from the 20s, 30s and 40s ... scanned photos from before the lodge fire, current scrapbooks, religiously attended by Marcia over the years. They are fantastic! We expect fun, trivial items, past brochures, Queen crowns be they cardboard, or flowered wreaths. Please think about what you'd like to contribute to this unique GG museum. Send photos, and names of the individuals to Marcia at peteranm@yahoo.com and she'll scan them for the scrapbook at the museum.

That **Marriage Book** that LANA FOX GRIBAS designed a decade ago, is more empty than full! If you were wed in the chapel, or in the council ring, won't you please send us one or two photos to add to this beautiful book? What a great addition to the Marathon museum and good for camp's posterity. Off the top of my head, some of the folks we could prod include: ERIN LONG and MATT SAMPSON, CASEY KLEIN, KELLY WELKER, EMILY HALL, JACQUELINE THOMAS, CHRISTA DIEDERICHS, KIM HAMPLEMAN, SIAN PERRY, JEN and FORD ALLISON, and KEN and NANCY!

SCOTT KIRTON and his **Blue Grass band** will entertain at the picnic on Sunday. We appreciate his offering, and we would love to muster up some **historical GG talent** for the Council Ring that evening. (Roadruck, I seem to remember you and Janet Enger doing the mechanical dance mannequin routine. If we set down about five bed mattresses, maybe you could pull that off? *Or pull off a hamstring!*) ☺

What a wonderful idea that JAY PETERANETZ, a professional cartoonist by trade, wants to pursue a century **comic book anthology** of GG! Jay would do the art work and we, meaning you alums, would be writing the tales. This could be memorable overnights with bobcat shrieks accentuating the camper panic, or even Veesta Monster, or Red Eyes stories, how about hikes to the Old Castle,

skirting rattle snakes, some time-off stories MIGHT be appropriate! Who recalls the famous pub on Lookout Mountain? (*and Trivia: what was the name?*) So when you get a flow of memories going, and you'd feel comfortable (!) sharing them with camp, send to Ken: ken@genevaglen.org

“CRE-8”

We love introducing new programs at the Glen. This summer we will offer inventive costuming

collaboration of future fashion designer, Madame Melissa Karsh to be run out of Cabin 8, and the program will be known as “Cre-8” ! Two of our alums are supporting this fun endeavor, BARB TENBROOK, from California, and KATE and XANDER SOMMERS' designer mom, Kathleen, in San Antonio. We send grateful accolades their way with expectations of a marvelous new program.

These fetching archers are Angie Tippis, Nancy Furbush, Jeannie Albright, ???, and Joy Rhodes

ALUM NEWS From the Mailbox

We love opening mail and hearing so much wonderful news from countless folks. Keep in touch and we'll help you keep in touch with your Geneva Glen friends!

1940s/1950s —

Long lost alum from Paris, Illinois, Vicki **WOLFE**, popped up when a cousin enrolled her son and named all the relatives who attended GG on the registration card. We were overjoyed to recognize the **WOLFE** family from '54-'57. Their grandparents had a home right across the hill from the camp, just above the Trading Post! **JAN RHODES MOOR** had asked about Vicki for twenty years, and we finally found her. Vicki lives in Chicago now, and we sincerely hope she can make the 90th reunion. ★ Another book from saddle-maker, tale-weaver, and author, **DAVE THOMAS!** The latest one has a name I want to create a skit for at the Council Ring, or maybe a camp scavenger hunt. Wouldn't you want to read a book called The Treasure Map on the Chuck Wagon Canvas. Remember his nom de plume is "Tom Davies." Dave has promised to be a curator at our Marathon Museum to spin yarns of "back-in-my-day." **BETTY**, of course, will be there as well to reignite her own glorious memories of serving as "Marathon Hostess" more than 50 years before! We'll even serve petite fours – how do you say that in Cowboy lingo? ★ Jim and **PAT DEASON MEYER**, are official bird chauffeurs now rescuing Blue Herons, Cedar Waxwing's and Ducks to the wildlife rehab center in Hutchins, Texas. Wish we had a photo of that car ride. Pat *may* be showing grandchildren (**KEVIN** and **LEE'S** brood) Levi, Lucy, and Georgia the Fairy Garden during the 90th. ★ **SALLY REED KINGDOM** visited **JEANNIE ALBRIGHT LOWRY** in California last fall and was urging her to attend the Labor Day festivities. Sal coaxed some fine photos out of Jeannie who attended from 1947 – 1961. Here she is in '47 with a favorite horse (which she could probably identify, and if not Dave Thomas certainly could!) Between baseball and sailing from her home in Newport she keeps healthily busy. Jeannie came by her loyalty to camp naturally, as she is niece to Iris Gilmore!

1960s

GLORIA WOLVINGTON HURDLE gives us the state of the Wolvington's each year, and this is indispensable! It's a huge gang, and she keeps better track than we do! Two pertinent highlights ... Will is an official mechanic now, with a full-time Volvo dealership in the DC area. Gloria and her spouse had a marvelous RV tour of the Northwest, including a visit to **CAROL DUVALL** in Bend, OR. Gloria is headed to Colorado for the 90th. Sister Judy, and her daughters Bria and Kim plan to be here as well! ★ Love hearing from **WILKI**, the famous Trainee head from 1959, **JUDY WILKINSON NOSSARMAN**. ★ It always takes me back to hear from **MARTI HOSE WELTI**. Marty was a vibrant member of the "Day-Off-Gang," with **LESLIE CYRUS BEARD**, **KELLY KLEIN**, and **DON LABASH**. Didn't you all pretend to be mute and hitchhike to Colorado Springs? One favorite memory of Marty was at the 75th when she brought **KAREN TYNER VOIGHT** the black culotte pantaloons (what do you call those things anyway?) that she had borrowed in 1962. Tyner has cherished them and she can probably still wiggle into them as she is still about a size 0! Marty says she may show up to be a cook, some day.

1970s

The **PENBERTHY** clan may eventually exceed the Wolvington's for numbers of progeny at GG! **CINDY**

PENBERTHY GRAHAM sent a fun shot of the families including **ISABEL**, **FRANCES**, **DAVID**, **HENRY**, **LILY**, **JOE**, **SOPHIA**, **WALTER**, **BECKY**, and **PUNKY** – all still living in Texas. Yee Haw! Are you folks going to make the 90th? ★ **DEBBIE ORTON-URBINA** will miss her eldest son **Tristan** (great Knighthood name **Debbie!**). **Tristan** will be a Trainee this summer and here for the season. **Deb** and her husband send all three boys to GG, and have for years!! ★ **DAN** and **LINDA ROHR** sent a GG history of their involvement at the Glen. **Linda** and **Dan** spent one summer living in the basement of the chapel! That room is now the camper newsletter room "The Columbine," and used to be the staff lounge in the 50s. (**Ken** and **Nancy** lived there the first summer they were married). **Dan** was a program director in the mid 70s, and **Linda** was the Marathon Hostess. This family connection continues with **SARAH** and **CASEY CORNELL**, Aunt **MARY ROHR**, as well as son **Lyle**, who is a graphic artist in Chicago and still has his shields!

1980s

Greetings from JULIE FELTMANN MUNROE, with her four kids. She and her husband Charlie stay busy with that gang! ★ Our Texas contingent continues to grow, as DEBBIE MEDORS GONZALES keeps sending girl angels from Austin. This summer, three! Ava, Mia, and America. Can't wait to see your mini-van pulling up! ★ Great to see RUBEN ARQUILEVICH's camp Newton. He's been director of this fantastic, big, successful Jewish camp in CA for eighteen years and has made wonderful enhancements to its atmosphere, both physical and spiritual. Ruben and Vivien have three great offspring, Jonah, Max, Maia, who of course attend Camp Newton! But he has promised to come to the 90th and bring that unique Court Jester, Dead-Head, and philosopher, GABE ARQUILEVICH with him! ★ Great to re-connect with JENNI LEE FLYNN, who expects to join the group of old buddies at our 90s over Labor Day weekend. Jen's daughter, Carlee, will follow in mom's footsteps and be on a GG crew this summer.

1990s

TIM HOGAN is publishing another esoteric book entitled *Entering the Chain of Union*, and will be available via normal retailers like Amazon and Barnes & Nobel any day now. We are always so grateful to Tim for creating a new Pendragon banner for our Pageant. He made one about 20 years ago that finally started to look a little tattered. Their Christmas card showed he and his wife Rosa on camels in front of the Giza pyramids! It's wonderful to have his devotion always displayed through his art at Geneva Glen. ★ John Vogt's shrine mountain epiphany could never have foreseen the joy he is savoring as he prepares for his junior-aged daughter, Evie, to be a Golden Heart. We will try to use his pulpit skills for a chapel service this season. Those mellifluous tones and sighs set an atmosphere for Knighthood romanticism ... and keep Ken smiling! ★ ANDY COHEN, back in Colorado, working at a PR firm. (Andy put in a good word for the 90 years at GG!) The Cohen holiday card looked like he's quite connected to a lovely Brenda. Andy's mom Terry is helping us find fun treats for the 90th and his dad DON'S (1970s) newest endeavor is a business development strategy called CTD Partners. We hope Don and the whole family can join us at the celebration! ★ MARGOT FAHNESTOCK sends positive vibes from San Francisco. ★ JOANNA JACKSON was all smiles in her latest greeting hopes to come to the 90th, but is so happy her niece and nephews have enjoyed GG all these years. ★ Almost had SHELLY MENTZER DEINER's daughter, Ella, here for Myths, but scheduling didn't work. Perhaps we'll see that family for the 90th ...hope...?

FORTY Alum Progeny are first-timers to Myths and Magic this summer!

SAM KAPLAN, of the Arkenstone Vineyards in Napa, will bring his Max, age 7, from their California home. He's told him all about Knighthood, but not much about Myths and Magic. Max will join his cousin, Jed Solomon, from Virginia, who is the pride and joy of ELLIE KAPLAN SOLOMON. We are so grateful to get the Kaplan family back involved at GG. JO BRANNON BURNS treats us to a time with her daughter, Erin. Erin already knows about camp from you veteran brother Conner.

CHRIS (JOHN) KIRTON'S son MATTHEW, heard camp was great from his older sister, Mikaela, so he's decided to try Myths and Magic. HILLARY MCKEEVER GERLACH'S twin daughters Emory and Arden will come for their first visit to the Glen. BETSY FRANKLIN'S grandson, John Ewy. JODI VISCONTI FREEMAN'S son Roan, will come from New York. CARRIE COLLINS' son Nico Chinaea. One more fifth-generation Lassie: Are we truly ready for Harper Hodgson? DAN WARNER is her bedazzled Grandpa who tells us tales of her mischief! But mom, JENNIFER WARNER HODGSON, is confident she will be as good as Hadlee has been! ROB HINDS is glad to have his third

Two Myths campers on their way to the Fairy Garden—no shortage of imagination in this session!

and youngest – Ivy Hinds will join us, and will see her big sister Allie around. She'll be a CIT for us this season. Grandma CINDY SMITH CARTWRIGHT is smiling that her Ella will join the GG ranks. KIM FULLER JACOBY finally has a camper old enough to attend. We are glad to welcome Rob, who will be third generation GG, as Rob's granddad, Bob, was a camper too. Rhys Hollenbeck, son of RHIANNON WRIGHT HOLLENBECK, looks like he could have come for years! Though he's only six, he's ready to get along in any session. BECKY HEAD RISCH proudly shares her darling Sawyer with us. TRAVIS JOHNSON brings seven-year-old Maxwell. Another match made in GG heaven: ANDREW TODD and CASSIE MORRISSEY will introduce GG to daughter Kate and cousin Grace will join her as JIM TODD's little gal tries out the camp scene

All Girls Trek up to Mt. Harvard

Top Row: Jenny Lee, Rae Yerkey, Melissa Twomey, Molly Cassidy, Gretchen Head, Becky Head, Kris Mackey, Melanie Davis, ??, Stephanie Mateev, ??

Lower Row: Trixie Winden, Lana Fox, Donna Clifford, Jean Hair, Kim Carey, ??, Nancy, Stretched Out: Laura Williamson

Nine of these gals have campers at camp, and three have kids on staff this summer!

as well. Jim's son, Cameron, will also attend American Heritage. ALEXA **MATTHEWS** LAMPHERS is psyched to have Mia, age six, come for her first GG experience. KIMMY **DIEDERICHS** MARTONOSI has anxiously awaited the time she can send her third-generation Kayla Kutler. The day has arrived, and her cousin, Madison, is as thrilled as are the aunts, **SHANNA**, **NIKKI**, and **CHRISTA**, and grandma, **JANET**. We love those double-legacies! Carter **Kelly** just had to attend GG since mom **KELLY FALLEN**, and dad **MATT KELLY** both were here in the 80's. Oscar **Held** is truly a **YERKEY** in disguise! We know TOM and KAREN, and FRAN are all delighted to think of him in their favorite mountain spot. Finally, the little sister of BEN and JACOB **SAMPSON** gets her turn – Abby, age six, is not only a third generation GG, but a product of the Glen as parents MATT and ERIN **LONG** met at the ropes course years ago! Abby's cousin Lauren, DAN **LONG's** baby doll will show her the ropes during Myths. This all makes grandparents TOM **LONG**, and SYDNEY **COMPTON** DUNBAR very happy. And speaking of Dan Long, his long-time crew buddy, JESSE **BERTOLI**, is coming up to donate a day to help get the water system up and running. Dan doesn't that sound fun? Jesse and ERIN **LEARY BERTOLI**, keep pretty darn active with their two Energizer Bunnies, Joshua and Gabriel – or Joshito and Gabrito! DIANE **FOWLER HAAS'** youngest gal, Macie, age six, will join Keeley at Myths. ANGIE **ASH** will send her twins from Florida! Glad to welcome Macie, and Miles, age 8. KRISTINE **KINGDOM** WESTNEDGE is certain her Hattie, third generation, will enjoy the tea parties and dress-up! Hattie has gotten great rec's from her big brother Reed. Of course SALLY **REED** KINGDOM is proud of all her grandkids who keep coming back year after year! STACIE **BAKER**, '80s, renews her connection with daughter Skylar Sarsfield. KERSTIN LAJLA **KIRSCHENBAUM** ROWE talked David into letting six-year-old Nora attend Myths. How many **LANKFORD'S** are there at Geneva Glen? We've had dozens over the years.

This fourth generation boy hails from Wisconsin, and his name is Talen Sampey. We know great-grandpa, LARRY, can keep better track of this GG line! So KATIE **HENSHALL'S** daughter, Molly Smith, is ready for GG. Who recalls that Molly is niece to the inimitable JOE **BAUMGARDNER**? We wonder if some of Joe's quirk's (!) have rubbed off on her a little? So glad Katie is sending her third generation GG to Myths this year! JOHN **WOODBERRY** brings Carson, and KRISTIN **LUKE MURPHY** introduces Maryn to GG this summer! DRU **NIELSON** brings her third-generation, Grady Ward. I'm sure LEE ANN **BASHORE**, grandma, is happy too! TRIESTE **PALMER** PRUSSO's daughter Lily is making mom very happy by attending Myths and Magic this year! Delighted that the Prusso family will be with us for Family Camp and the 90th! That's what's up with the Alums from 2000's—they're making campers!!! We add those forty to eighteen more Myths progeny *veterans*, and that means that about HALF of our Myths campers are progeny. WOW!

Wedding Bells

CLAUDIA KIS MADRID, our comic senorita from Mexico, who now abides in Canada, has a festive nuptial planned for mid-May. Her intended is Charles LaTour. We all wish her the very best.

KATIE STEWART keeps in touch with her camp buddy CHRISTA DIEDERICHS and sends news. She will wed in June and also plans to come to the 90th!

KATIE ANDERSON celebrates a wedding in August!

Reverend JOHN, and ROBERTA GINGERICH must experience great joy to know that GG has helped cause two of their grandchildren to find their soul-mates at the Glen! MIKE HAZEL, and DIANE HENDERSON wed a couple of years ago, and this coming August 25th, Mike's little sister, SARA, will wed her fellow camper and staff pal, DAN **GOLDHAMER**. The only thing that could be added to this for SARA and MIKE's mom, ROBIN, and aunt HARRIET, is if they could stretch this wedding reunion to hang over to the following weekend for our 90th? Kansas folk can *always* use a dose of GG pine !

FROM THE NURSERY ...

JOSH WEINBERG is an excellent papa to his little girl Lila Iris. Grandparents, **RACHEL** and **SHELLY** are thrilled and grateful that middle name is no coincidence as the Weinberg kids grew up next door to Harold and Iris on Clermont St!

SAM DESTEFANO welcomed his third future camper, River (Sophia and Jack have already been subjected to that DeStefano humor), and Sam's son, Jack, will enjoy Myths with us this summer. Welcome to the GG family River!

KEVIN LEE and Sara did keep that February promise, and Samuel Byron happily joined the Lee family. Boy has life changed for Kevin, but he still remains calm and collected under pressure. Right, Kev?

OWEN and **CORA WEST LOCKE** boast of the charms and talents of their cherub (Owen!) who appeared in mid-February, and has got them on that parental roller coaster of pure joy, and stark terror!

... Remember everyone, keep us informed; otherwise, we'll write the "facts" ourselves!! :)

Pictured below is an idea inspired by the memorial park on Mt. Lindo (where the lighted cross is west of Denver). Because Geneva Glen is five generations old, hundreds of alums feel a strong life-time connection within their families, and wish to have a permanent remembrance at camp. This wall is to memorialize those who have left a lasting legacy at GG. The Memorial Bell (from the old lodge), commemorating the Gilmore's, will be mounted behind this wall, and you can see it beside the chapel next time you're here. If you would like more information on the Wildflower Garden, as it is known, call Nancy at camp.

ON THE NEST ...

Dr. **JENNI ANDERSON TAMBLYN** will be one of our camp docs this summer, and her baby is due in October! So a July stint here shouldn't affect her rounds too much! Jenni would be the second camp doc who was a camper and staff. Dr. **STEPHANIE MATEEV** was the first one, and with some luck, we may add Dr. **ABBIE FOUST** to this group of active M.D.s!

LESLIE WOODWORTH KENDRICK sends ecstatic news that she and husband Jim are expecting "twenty more toes" in their household in October. We loved her announcement ←

AMY LIVINGSTON not to be outdone by Leslie, will welcome twins about the time of the 90th. She and hubby Alex already had her hands full already keeping tabs on daughter Olivia!

We hear **WHITNEY ROBERTSON**, and **JAY PETERANETZ** are expecting another addition to their growing family this fall.

Trivia: Did you know the symbol of the Stork stands for Gratitude?

We hear via the GG vine, that **DAWN SIERENS** and **GWIN HEATH** are both expecting!

Let us know, folks, when your second, third, fourth, fifth, and yes, even sixth generation GG treasures come in to your family! (*Hey Megan, the pressure's on!*)

MARATHON

Our most historical building, Marathon Lodge, was named after an adult Sunday School class at Central Presbyterian, back in 1919. The chronicle of this old place includes a gathering place for trainings, stories, and parties. It has hosted activity areas such as Crafts, the Shield shop, Archery Hut, Art Nook, Costume Room, Radio Station (KGLN 88.3 FM "The Gleam!"), and of course, the main hang-out for kids: the camp Store! Thankfully as we endeavor to find an activity space to accommodate more campers at one time, the architect's plan to expand the existing building, keeping all of its character, fits right into GG's rustic atmosphere.

Quite an illustrious group!

Think of Geneva Glen when you feel
Gratitude
 It's our theme for the summer ...

As part of our commitment to making camp financially accessible to children from all backgrounds, we provide full and partial camperships (scholarships), and financial assistance to approximately 10% (100) of our enrollment each summer. Campership campers are referred to us by alumni, board members, leaders of faith communities, and local organizations. Our philosophy is that diversity promotes strength to the fabric of camp and that Geneva Glen should always remain available to children of all backgrounds.

Geneva Glen is a 501 C (3), charitable organization, and is committed to being affordable for families of all income levels. Gifts to the Annual Giving Campaign are perhaps the most effective way to directly impact camp. Annual contributions are used to support Camperships and capital needs.

Donors are also welcome to explore the possibilities of a substantial donation to Geneva Glen's endowment that can generate lifetime income for the donor, a sizable tax deduction and a lasting legacy to camp. Donations are professionally managed by independent investment advisors in consultation with the Geneva Glen Board of Directors. Please contact camp for information regarding an opportunity to make a meaningful donation with a lasting impact on the future.
