What parents say...

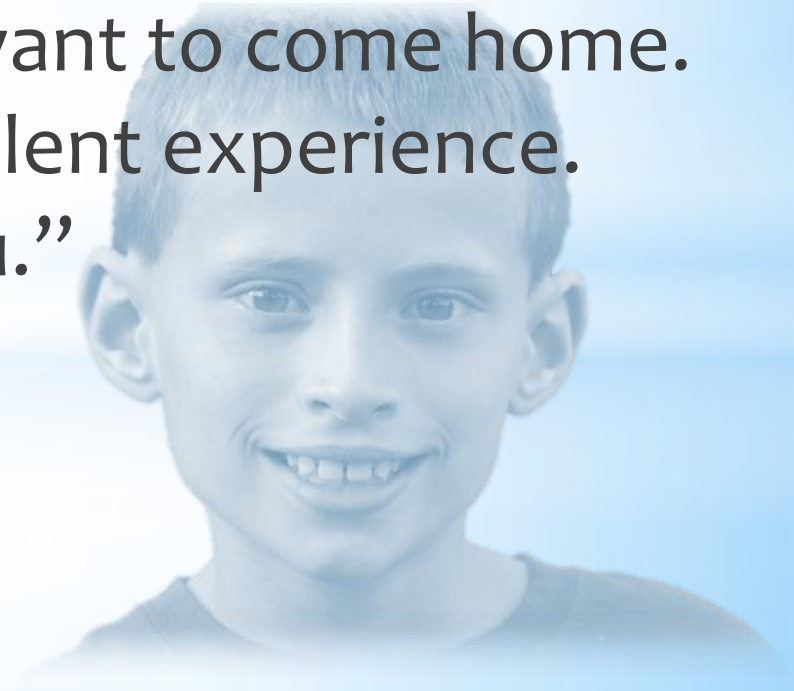

“This was my daughters first time to attend sleep away camp and she "had a blast"! ...those were some of the first words out of her mouth when I picked her up followed by "can I come back again this summer?.. " - you all are doing something right, thank you!”

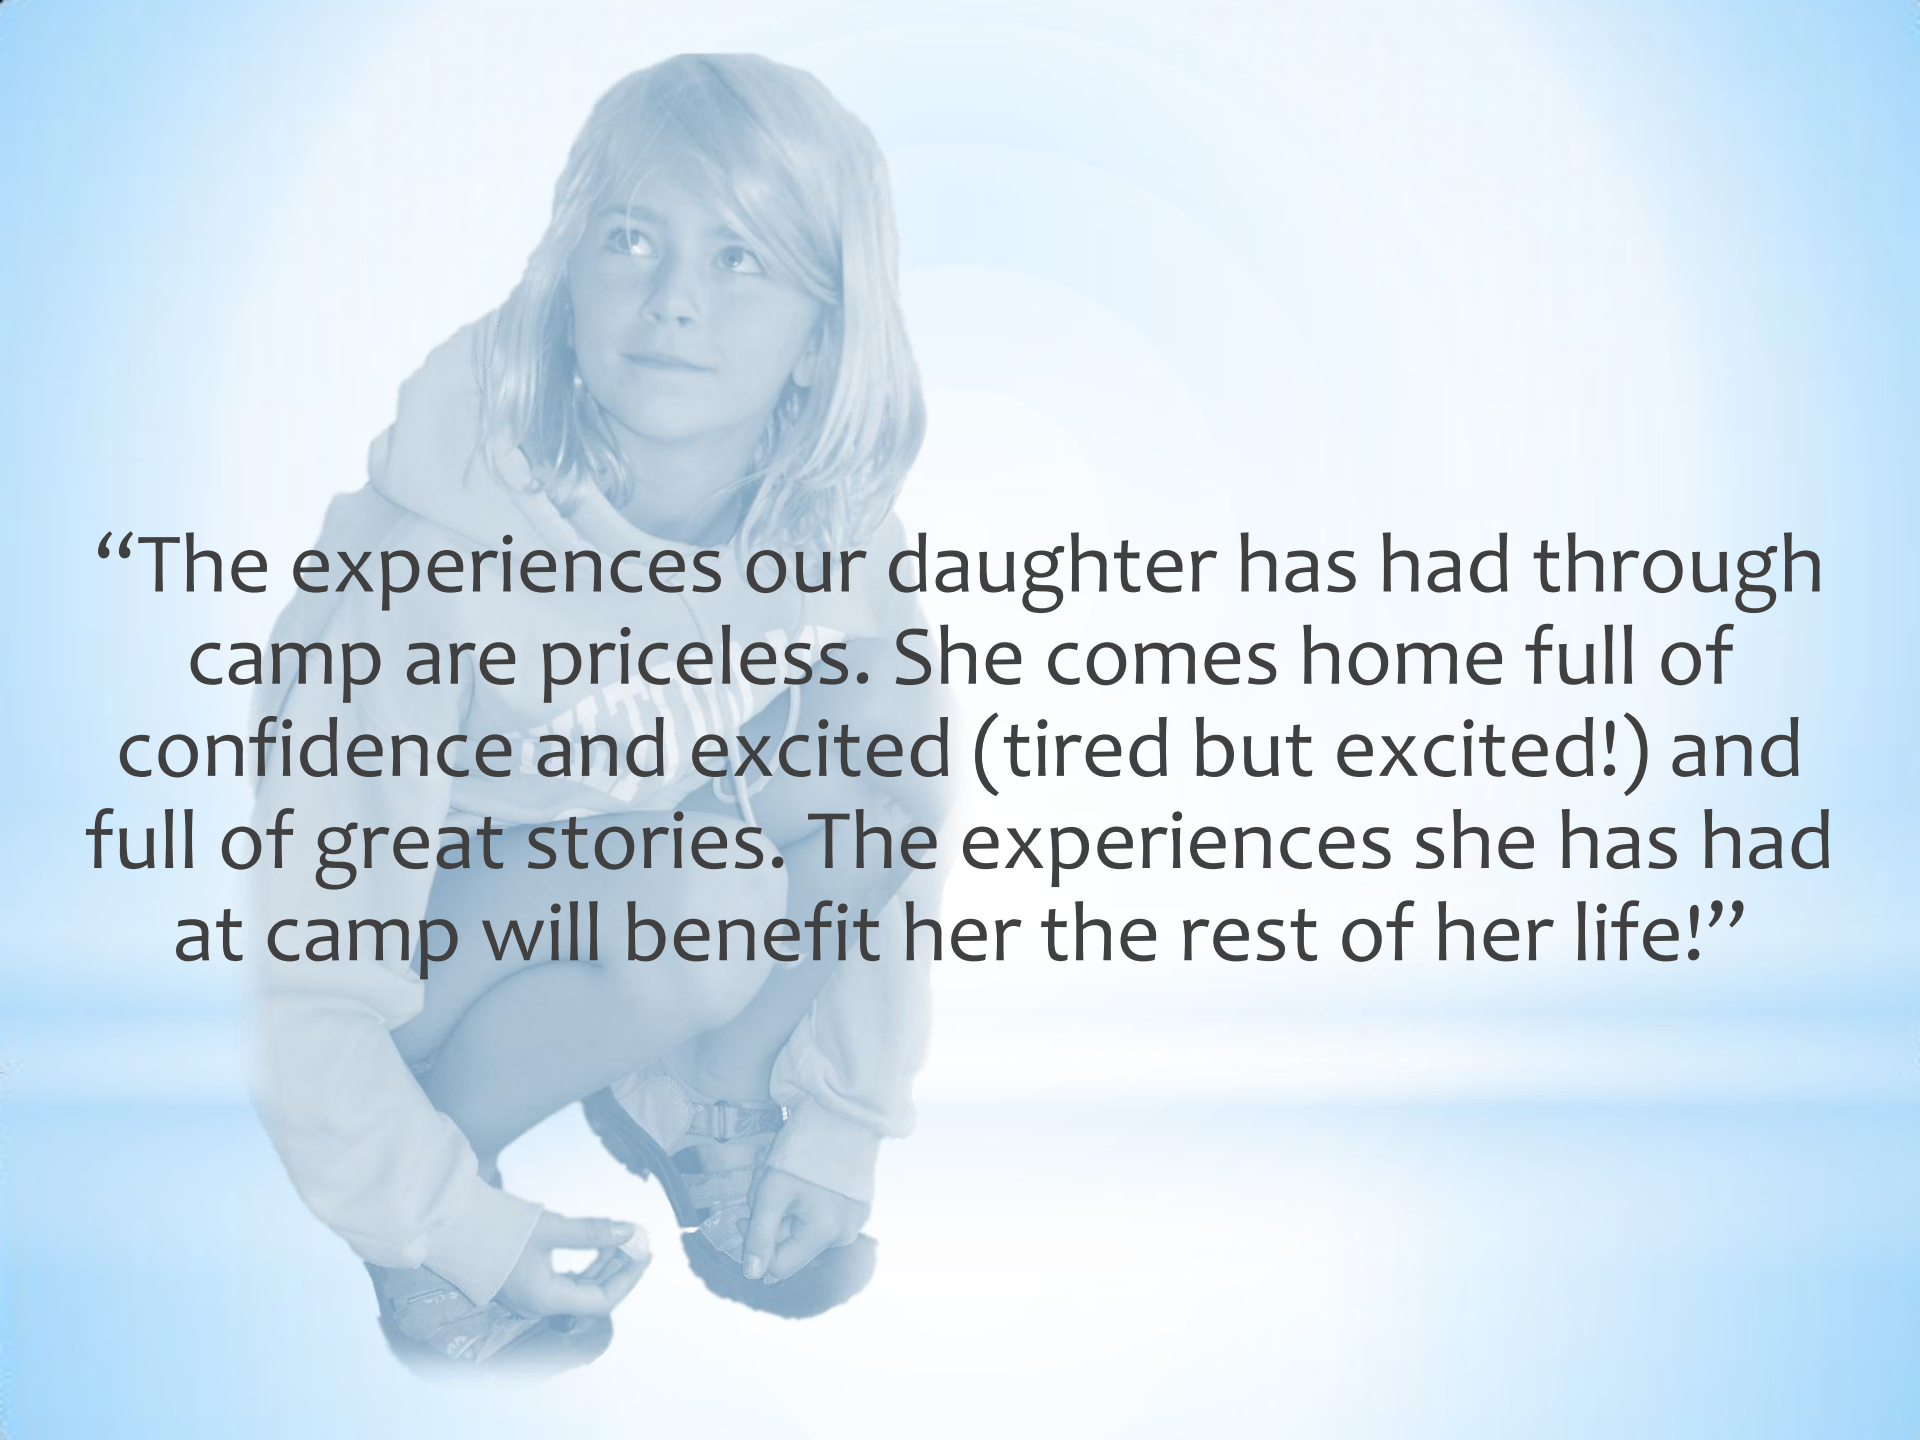

A young girl with blonde hair, smiling and holding a white object, possibly a piece of paper or a small object, against a bright blue background. The image is semi-transparent, allowing the text to be overlaid.

“We are so impressed with the camp as a whole. From the administration, to the counselors, activities, atmosphere and appearance. The counselors you hire are amazing. Our daughter has never had a bad experience.”

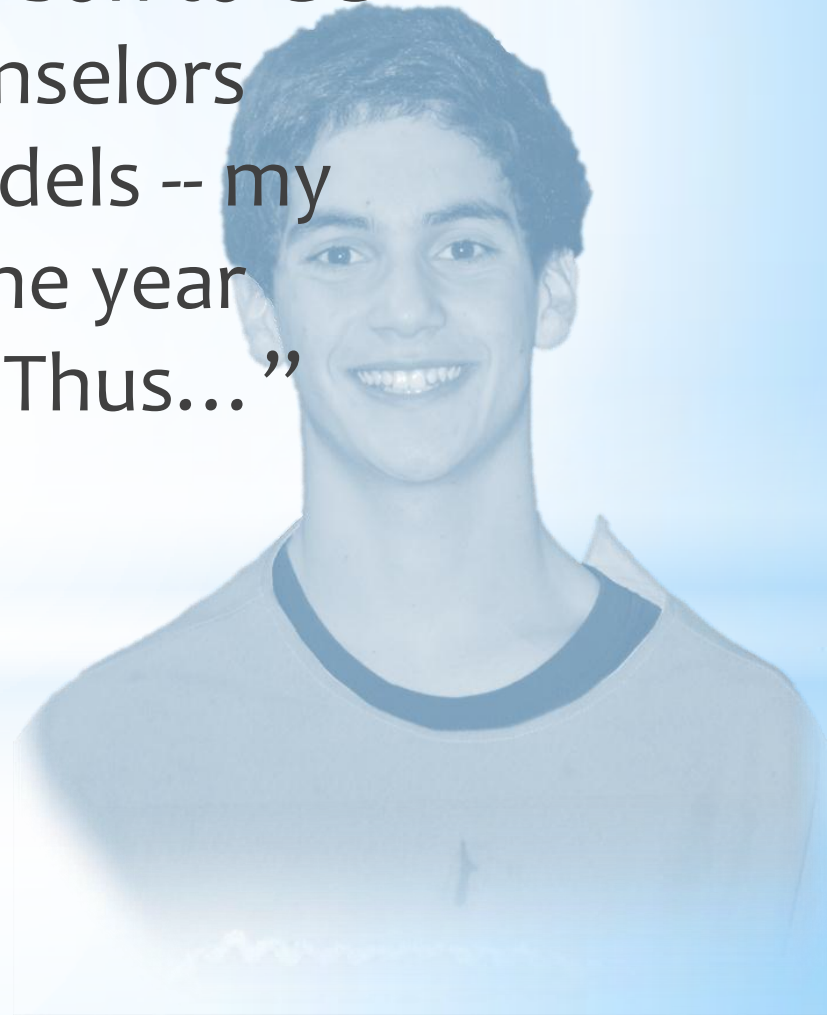

“I had hoped that my son would gain some much needed confidence and I am so pleased that indeed that happened. He was so nervous about being on his own for a week and ended up loving camp so much he did not want to come home. That is a sign of an excellent experience. Thank you.”

“The experiences our daughter has had through camp are priceless. She comes home full of confidence and excited (tired but excited!) and full of great stories. The experiences she has had at camp will benefit her the rest of her life!”

“The main reason I send my son to GG is because the male counselors couldn't be better role models -- my son spends the rest of the year attempting to Strive Ever Thus...”

“Counselors come heart first...”
